

# VACUUM CHAMBERS

## About Us

Keller Technology (KTC), a precision fabrication and manufacturing specialist provides OEM contract manufacturing services for vacuum chambers operating in the high-vac and ultra-high vac range. Keller has extensive experience in plated steel, stainless steel, and aluminum chambers with complex geometries as well as large form factors. KTC is also able to provide value-added services to deliver fully-integrated vacuum systems manufactured to your demanding specifications.

## Expertise

- Aluminum
- Plated Steel
- Stainless Steel
- Large Form Factor Chambers
- Vertically Integrated Vacuum Assemblies
- Chambers Requiring Post Weld Machining

# VACUUM CHAMBERS

**SCOPE OF SERVICES**

Machining	Leak Test   RGA
Welding   Fabrication	Clean Room Assembly
Cleaning   Bakeout	Systems Integraton

**MARKETS SERVED**

Semiconductor Equipment	Synchrotron Light Sources
Materials Research	Custom Process Equipment
Deposition	Particle Accelerator Facilities
